NOTES

10,297,091 \$

1) The Public Facilities FF&E budget line item has been transferred to Hard Costs as part of the General Contractor's responsibilities

55,248,179 \$

2) Owner Contingency funds have been allocated to cover increases in Architecture/Engineering fees and projected Hard Costs
3) The Revised Budget reflects the base program for this project. Potential additional project enhancements will be studied now that design has progressed to near-GMP status
